Last edited 17 Sept. 2011. Length of file: 68 pages @ 12pt. Baskerville MT.

This index lists all titled dances found in the *Calendar of Performances*, as well as the dates of performance and venues in which those dances were performed. The spelling, as it appears in the *Calendar*, has been retained.

For other searchable indexes relating to dancers and dancing see:

**Dancers | Titled and Untitled Dances | Dates | Venues.**

**Dancers | Dance Titles | Roles | Dates | Venues.**

**Dance Types | Dates | Venues.**

**Untitled Dance, Dances, and Dancing | Dates | Venues.**

For other references to dancers and dancing see the General Indexes to *Theatre in Dublin, 1745–1820: A History*, volume 2, and to the *Calendar*, volume 6. See also *Theatre in Dublin, 1745–1820: A History*, volume 2, chapter 8, for a Chronological Survey of Dancing and Dancers.

To locate the detailed entry in the *Calendar of Performances* (e.g., 1811 02 02 | RH denotes the Royal Hibernian Theatre performance of 2 February 1811), the user should refer to the appropriate volume and season (see **Table of Contents of the *Calendar***). Initial articles in titles have been omitted.

For abbreviations see file entitled **Abbreviations Used in the Searchable Indexes**.
