

Searchable Index: **Benefit Recipients** | **Dates of Performance** | **Venues** | **Types**

© 2011 John C. Greene.

Last edited 23 Sept. 2011. Length of file: 108 pages.

This index lists recipients of benefit performances, the date of performance, the venue in which it took place, and the “type” of benefit it represents: A=Author; P=Personnel; C=Charity.

For other references to recipients see Searchable Index: **Actor** | **Role** | **Play** | **Performance Date** | **Venue** and related indexes, as well as, the General Indexes to *Theatre in Dublin, 1745–1820: A History*, volume 2, and to the *Calendar* in volume 6.

To locate an entry (e.g., 1811 02 02 | RH denotes the Royal Hibernian Theatre performance of 2 February 1811), the user should refer to the appropriate volume of the *Calendar* (see file listing **Table of Contents of the *Calendar***).

For abbreviations see file entitled **Abbreviations Used in the Searchable Indexes**.
