This index lists all choral works (excluding oratorios) found in the *Calendar of Performances*, as well as the dates of performance and venues in which they were performed. The spelling as it appears in the *Calendar of Performances* has been retained.

For other references to recipients see the General Indexes to *Theatre in Dublin, 1745–1820: A History*, volume 2, and to the *Calendar* in volume 6.

To locate the detailed entry in the *Calendar of Performances* (e.g., 1811 02 02 | RH denotes the Royal Hibernian Theatre performance of 2 February 1811), the user should refer to the appropriate volume and season (see **Table of Contents of the *Calendar***). Initial articles in titles have been omitted.
