This index lists composers (including anonymous composers), descriptions of the type of musical piece performed, performances dates, and venues.

For other searchable indexes relating to composers, music, and musicians see:

Composers | Extracted Music | Work | Performance Dates | Venues.

Composers | Titled Music | Genres | Performance Dates | Venues.

Extracted Music | Work from which Extracted | Composer | Performance Dates | Venues.

Musicians | Instruments | Performance Dates | Venues.

Titled Music | Genres | Composers | Performance Dates | Venues.

For other references to composers, music, and musicians see the General Indexes to *Theatre in Dublin, 1745–1820: A History*, volume 2, and to the *Calendar of Performances* in volume 6.

To locate the detailed entry in the *Calendar of Performances* (e.g., 1811 02 02 | RH denotes the Royal Hibernian Theatre performance of 2 February 1811), the user should refer to the appropriate volume and season (see **Table of Contents of the *Calendar***). Initial articles in titles have been omitted.

For abbreviations see file entitled **Abbreviations Used in the Searchable Indexes**.
