The following index lists all concerts of vocal and instrumental music that occurred in the Dublin concert halls, pleasure gardens, theatres, and churches between 1745 and 1820. To locate the music performed during these concerts, the user should consult the various searchable indexes of music and singing.

For other references to concerts see the General Indexes to *Theatre in Dublin, 1745–1820: A History*, volume 2, and to the *Calendar of Performances* in volume 6.

To locate an entry (e.g., 1811 02 02 |RH denotes the Royal Hibernian Theatre performance of 2 February 1811), the user should refer to the appropriate volume of the *Calendar* (see file listing **Table of Contents of the *Calendar***).

For abbreviations see file entitled **Abbreviations Used in the Searchable Indexes**.
