

Searchable Index: **House Personnel** | **Seasons** | **Functions** | **Venues**

This searchable index lists all house personnel whose names appeared in the playbills and other sources included in *Theatre in Dublin, 1745–1820: A Calendar of Performances*. For other references to these individuals see the General Indexes to *Theatre in Dublin, 1745–1820: A History* in volume 2, and to the *Calendar of Performances* in volume 6.

It should be noted that the names of only the most important of the house personnel, such as treasurers, box keepers, and prompters, ever appeared in the playbills. They were given sole benefits, and, therefore, their names often, but by no means always, also are listed among the benefit recipients (see also **Searchable Index: Benefit Recipients** | **Date of Performances** | **Venues** | **Types**).

To locate the detailed entry in the *Calendar of Performances* (e.g., 1811 02 02 | RH denotes the Royal Hibernian Theatre performance of 2 February 1811), the user should refer to the appropriate volume and season (see **Table of Contents** of the *Calendar*). Initial articles in titles have been omitted.

For abbreviations see file entitled **Abbreviations Used in the Searchable Indexes**.
