

Searchable Index: Plays | Playwrights | Performance Dates | Venues

© 2011 John C. Greene.

Last edited 23 Sept. 2011. Length: 737 pages @ 12pt. Baskerville MT.

This searchable index lists all named plays, their authors (if known), performance dates, and venues. For other references to these plays see the General Indexes to *Theatre in Dublin, 1745–1820: A History*, volume 2, and to the *Calendar of Performances* in volume 6.

To locate an entry (e.g., 1811 02 02 | RH denotes the Royal Hibernian Theatre performance of 2 February 1811), the user should refer to the appropriate volume of the *Calendar* (see file listing **Table of Contents of the *Calendar***). Initial articles in play titles have been omitted.

For abbreviations see file entitled **Abbreviations Used in the Searchable Indexes**.
