

Searchable Index: Singers | Songs (Titled and Untitled) | Dates | Venues

© 2011 John C. Greene.

Last edited 19 Sept. 2011. 288 pages @ 12pt. Baskerville MT.

This index lists all singers whose names appear in the *Calendar*, the singing (titled and untitled) ascribed to them, as well as the performance dates and venues. Initial articles have been omitted from the song titles.

See also Searchable Indexes:

Titled Songs | *Singer* | **Dates** | **Venues**.

Untitled Singing (No Singer Specified) | **Dates** | **Venues**.

For other references to singers and singing see the General Indexes to *Theatre in Dublin, 1745–1820: A History*, volume 2, and to the *Calendar*, volume 6.

To locate the detailed entry in the *Calendar of Performances* (e.g., 1811 02 02 | RH denotes the Royal Hibernian Theatre performance of 2 February 1811), the user should refer to the appropriate volume and season (see **Table of Contents of the Calendar**). Initial articles in titles have been omitted.

For abbreviations see file entitled **Abbreviations Used in the Searchable Indexes**.
