This searchable index lists all titled songs, their singers (if known), performance dates, and venues.

See also Searchable Indexes:

Singers | Songs (Titled and Untitled) | Dates | Venues

Untitled Singing (No Singers Specified) | Dates | Venues

For other references to songs and singing see the General Indexes to *Theatre in Dublin, 1745–1820: A History*, volume 2, and to the *Calendar* in volume 6.

To locate an entry (e.g., 1811 02 02 | RH denotes the Royal Hibernian Theatre performance of 2 February 1811), the user should refer to the appropriate volume of the *Calendar* (see file listing **Table of Contents of the *Calendar***). Initial articles in song titles have been omitted.

For abbreviations see file entitled **Abbreviations Used in the Searchable Indexes**.
